

QUINTA NOVA

DE NOSSA SENHORA DO CARMO

Mirabilis

Red 2021

Mirabilis Red is inspired by the great wines of the world, where textures, aromas, gravity and transparency are created. After the careful selection of the best plots and a manicured harvest, this blend confronts the origin of the raw material, putting the concept of terroir aside. It is an unrepeatable wine, with a heterogeneous composition of small quantities, a few liters of each of our best barrels, going through a long tasting process until the final result. Mirabilis mirrors Quinta Nova de Nossa Senhora do Carmo's most profound wine years, reflected in a wine that is dense, intense in flavour, three-dimensional, with enormous physical persistence, profound and very precise. A wine that goes beyond our comprehension... and calmly approaches human maturity.

OVERVIEW

First Harvest: 2011 **Owner:** Amorim Family

Winemaker: António Bastos

VINEYARD

Grape Varieties: Tinta Amarela and Vinha Centenária

Soils: Schist **Sub-region:** Cima Corgo **Production method:** Integrated

Harvest: By hand **Average Yield:** 2800 to 3000 kg/ha

ADDITIONAL WINEMAKING NOTES

100% destemmed

Aging: 12 months in new French oak barrels; selection of barrels

Alcohol: 14.5% Vol. **Bottling:** January 2023

2021 HARVEST

2021 was a classic year, marked, however, by generous rainfall and milder temperatures. In terms of the development of the vegetative cycle, 2021 will be remembered as a cool year, with a fairly mild summer, without the typical heatwaves, and a harvest period marked by some rainfall. The natural conditions and cool nights contributed to slow ripening, favouring the balanced growth of the grapes and preserving the primary aromas.

2021 reveals the temperament of a protected harvest, the aromas of blue fruits ripened with time, an invigorating freshness and a tight linear structure that contrasts later with the density and gravity of a slow mid-palate, an elegant finish and enormous physical persistence.
