Alcohol: 14,00% Vol.

Bottling: February 2020

Production: 80000 bottles

This wine surprises for its purity and sophistication. It results from the perfect balance of the main grape varieties of Quinta Nova de Nossa Senhora do Carmo: Touriga Nacional, Touriga Franca, Tinta Roriz and Tinta Cão, a beautiful composition for the simplicity and transparency of our *terroir*.

Its intense color stimulates individual memory and refers to the immense vineyard and the rugged landscape of the Douro terraces. A wide journey of flavours manifests itself through the density and strength of aromas, cheerful and seductive, with a more sophisticated side ceded by the good French oak wood. In evidence closes with a muscular structure and a succulent texture that intertwined with the body of the wine and make it end tense, long and deep.
